

"I am so thankful for the many things my daughter has learned in preschool but one of them is the songs she learns. For the last few weeks she has been singing "This is the day that the Lord has made" all the time, which she learned at preschool. She will wake up singing it and end the day singing it! Hearing this hymn of praise from my little girl reminds me of God's goodness every day and I am thankful for not only the education but the Christian education that her preschool is committed to!"

"One of the best things about TPPK is the strong presence of the Lord. You can feel God's love when you walk through the doors.
